

A motion was passed to carry the Discretionary Funds that
re given to state organizations by the USCF over to next year
the reason being that ACF has not got a project to use the
unds for. This project has to be something that ACF has not
one before. If you have an idea let Walter know about it. By
aving USCF hold the funds this year, we'll have twice as much
ext year. But we have to use it or lose it next year.

Of Scholastic interest! Primary chess players can still use
ie "green slip" to play USCF Chess. But a change is coming so
se it while you can.

One final note(unless I think of something else). Richard Ellis
as done much for the ACF. His contributions have moved ACF
om an unorganization to an organization. I certainly
ppreciate his work as does every one else. THANKS RICHARD
OR YOUR CONTRIBUTIONS TO ACF AND CHESS!!!!

ALABAMA STATE COLLEGIATE CHESS TEAM CHAMPIONSHIP

1991

The first State collegiate team championship was played in Mobile on November 2, 1991. The University of Alabama and the University of South Alabama sent teams. The format was two games in 90 minutes on each board. South's team captain, Daniel Miller won the toss and elected to play black on the odd boards in the first round. Bama won the first round 3-1 in four close games. Things did not look good for South. After a break for dinner, South came back with a 3-1 victory to tie the match! Daniel Miller won a very tough ending against State Champion Hisham Sunna to clinch the tie for an elated South team. It was a truly exciting match to watch. Hopefully, more teams will participate next fall.

University of Alabama		University of South Alabama	
Hisham Sunna	1-0	Daniel Miller	0-1
Carey Jenkins	0-0	Afshin Ganjoo	1-1
Ky MacPherson	1-1	John Lubotsky	0-0
William Smith	1-0	Joel K. McAllister	0-1

All you ACF members spread the word to the college players for the 1992 collegiate team championship in November 1992.

NEWS FROM THE QUEEN OF HEARTS

Attendance at the ACF meeting was light with 14 members and three officers participating. (if there were some way to have the meeting later, perhaps more members would attend)

ACF President Richard Ellis resigned this weekend. Vice President Walter Schaetzle is now at the helm. I know that all ACF members would like to see Richard continue to work on some or all of the projects that he started while he was president, particularly the Chess Foundation, and his work as a tournament organizer.

The State Tournament bid was awarded to the Boaz C.C. Square 64. The Birmingham C.C. has since showed interest in having the State Tournament. This is OK with Sq. 64 and as soon as authorization is received from the ACF officers for the change Sq. 64 will yield the State Tournament to Birmingham.

It is recommended that a Scholastic tournament be held at all tournaments. This is very important to the future of ACF. Tournament organizers should keep this in mind.

Anyone planning to attend the U. S. Open is asked to contact Walter Schaetzle because ACF needs Delegates at the USCF meeting held there. Walter plans to attend. Our current voting members to the USCF are Richard Ellis and Jeff Lake.

A resolution is being drafted by ACF recognizing Andrew Watley as a promising young chess player. The purpose is to get USCF to recognize Andrew and perhaps get him some support from Chess Foundations.
